

Health Insurance Coverage Annual Reporting Notice

The Paperwork Burden Reduction Act ([PBRA](#)), passed on December 23, 2024, amends the reporting requirements as outlined in the Patient Protection and Affordable Care Act (PPACA), and Section 6055(c) of the Internal Revenue Code of 1986, so that employers are no longer required to mail tax forms (1095-Cs) to covered individuals showing proof of essential coverage, unless the form is requested.

All employees (both former and current), as well as any other individual covered under the AMEWAS sponsored health insurance plan, have the right to request a paper copy, free of charge, and may do so by contacting the HR Department at hr@amewas.com.

The form will be provided by January 31st of the year following the applicable tax year, or 30 days after the date of the request, whichever is later.
